

# Important Information: Utility Service Disruptions During Storms

Dear [Recipient's Name],

As a storm approaches, we want to ensure that you are prepared in the event of utility service disruptions. Below are resources and information that can help you during these challenging times:

## Emergency Contact Numbers

- Electricity Provider: [Provider Name] - [Emergency Phone Number]
- Water Supply: [Provider Name] - [Emergency Phone Number]
- Gas Company: [Provider Name] - [Emergency Phone Number]

## Safety Tips

- Stay indoors during severe weather conditions.
- Keep a flashlight and extra batteries handy.
- Use your phone only for emergencies to preserve battery life.

## Resources for Assistance

If you experience service disruption, please reach out to the following resources for assistance:

- [Utility Assistance Website](#)
- [American Red Cross](#)
- [Local Government Emergency Services](#)

We appreciate your understanding and patience during these disruptions. Stay safe!

Sincerely,  
[Your Name]  
[Your Title]  
[Your Organization]
