

Notification of Utility Reduction Incentives

Date: [Insert Date]

Dear [Recipient Name],

We are pleased to inform you that our organization is launching a new utility reduction incentive program aimed at promoting energy efficiency and reducing utility costs for our valued customers.

Starting from [Insert Start Date], you will be eligible to participate in this program. Benefits include:

- Rebates for energy-efficient appliances
- Discounts on utility bills for reduced consumption
- Access to free energy audits

We encourage you to take advantage of these incentives by implementing energy-saving practices and making use of the available resources. For more details on how to enroll and maximize your benefits, please visit our website or contact our customer service team at [Insert Contact Information].

Thank you for your commitment to energy conservation. Together, we can create a more sustainable future.

Sincerely,
