

Phone Authentication Process

Dear [User's Name],

Thank you for registering with [Your Company Name]. To ensure the security of your account, we require you to complete the phone authentication process.

Please follow the steps below:

1. Open your mobile device and dial the provided number: [Phone Number].
2. Enter the verification code sent to your registered email address: [Verification Code].
3. Once confirmed, your phone will be verified, allowing you access to your account.

If you encounter any issues during this process, please contact our support team at [Support Email] or [Support Phone Number].

Best regards,
[Your Company Name] Team
