Subject: Comments on Environmental Review for [Project Name]

Dear [Utility Company Address or Contact Person],

I am writing to provide my comments regarding the environmental review associated with [Project Name]. After reviewing the submitted documentation, I would like to express the following concerns and suggestions:

1. **Impact on Local Wildlife:** It is crucial to assess potential disruptions to local fauna, particularly during breeding seasons.
2. **Water Quality Concerns:** Please provide further details on how run-off will be managed to prevent contamination of local water bodies.
3. **Noise Pollution:** The anticipated noise levels during construction should be addressed, especially in proximity to residential areas.
4. **Public Engagement:** I recommend increasing outreach efforts to keep the community informed and allow for resident feedback.

Thank you for considering these comments as you proceed with the environmental review process. I look forward to your response and to further discussions on how to mitigate the impacts of this project.

Sincerely,

[Your Name]
