

Feedback on Utility Efficiency Rebate Programs

Dear [Utility Company Name],

I hope this message finds you well. I am writing to provide feedback on the Utility Efficiency Rebate Programs that your organization has implemented.

Firstly, I would like to commend you on [specific aspect of the program, e.g., user-friendly application process, informational resources]. This has made it easier for customers like myself to participate and benefit from the rebates available.

However, I would like to highlight some areas for improvement. I believe that [suggest a specific improvement, e.g., increasing awareness of the program, offering more diverse rebates]. This could potentially enhance participation rates and overall satisfaction among customers.

Thank you for considering my feedback. I appreciate your commitment to promoting energy efficiency and look forward to seeing further improvements in your programs.

Sincerely,
