Dear [Utility Company Contact Name],

I am writing to request an assessment of the alternative energy options available for my property located at [Property Address]. As an advocate for sustainable energy practices, I am interested in exploring the opportunities for utilizing renewable energy sources.

Specifically, I would like to inquire about the following:

- Feasibility of solar panel installations
- Wind energy assessments
- Incentives and rebates for alternative energy systems
- Any other programs or services your company offers regarding energy efficiency and sustainability

Please let me know the process for conducting this assessment and any information you require from my end. I appreciate your assistance in this matter and look forward to your prompt response.

Thank you.

Sincerely,

[Your Name]
