Subject: Feedback on Utility Tax Credit Program

Dear [Recipient's Name],

I hope this message finds you well. I am writing to provide feedback on the Utility Tax Credit Program that I recently participated in. Overall, I found the program to be beneficial in assisting with my utility expenses, especially during the challenging economic times we are currently facing.

However, I would like to offer some suggestions for improvement:

- Streamlining the application process for easier access.
- Providing clearer guidelines on eligibility criteria.
- Enhancing communication regarding the status of applications.

Thank you for considering my feedback. I appreciate the efforts made to support our community through this program.

Best regards,
