Subject: Restoration of Unity within the Board

Dear Board Members,

As we reflect on the recent challenges we have faced, it is clear that we must take intentional steps towards restoring unity within our board. Our commitment to our mission necessitates collaboration and mutual respect amongst all members.

I propose a meeting to discuss our differences and to find common ground. Together, we can develop strategies that honor our diverse perspectives while focusing on our shared goals.

Let us come together to strengthen our partnership and foster an atmosphere of open communication and trust. I believe that by working collaboratively, we can restore our unity and enhance our effectiveness.

Please let me know your availability for a meeting in the coming weeks. Your insights and contributions are invaluable as we move forward.

Thank you for your attention to this important matter. I look forward to hearing from you soon.

Sincerely,
