Subject: Request for Feedback on Innovation Strategy

Dear Board Members,

I hope this message finds you well. As we continue to refine our innovation strategy, I would like to seek your invaluable feedback on our current approach and proposed initiatives.

The primary areas of focus include:

- Current Innovation Projects
- Market Trends and Opportunities
- Resource Allocation for R&D
- Collaborative Partnerships

Your insights and expertise are crucial for us to ensure our strategy aligns with our long-term goals and maximizes our competitive advantage.

Please review the attached document detailing our current strategy and do share your feedback by [Insert Deadline Date]. I appreciate your time and input in making our innovation efforts more effective.

Thank you for your support.

Best regards,
